### AGM approves bonus preference shares

Baroda, August 28,2002: The 10th AGM of the speciality pharma company Sun Pharma, was held today in Baroda.

At the AGM, a major proposal approved was the issue of 18.71cr bonus 6% cumulative redeemable preference shares of Rs1/- each in the ratio of 4 such bonus preference shares for 1 equity share held in the company. Later, the board of directors set October 10, 2002 as the record date for issue of these bonus preference.

The preference shares would bear a coupon of 6%, and would be redeemable after 5 years. However, there would be no lock in, and the company would redeem these on a preannounced date every year starting from the first year itself. These bonus preference shares will be listed at the stock exchanges where the equity shares of the company are listed, subject to approvals of the stock exchanges and concerned authorities.

Since Sun Pharma's equity is held in compulsory demat form, these bonus preference would be automatically credited to the accounts of the shareholders unless otherwise specified. Shareholders who wish to receive these shares in physical form need to write to the company before Sept 16, indicating their request.

Shareholders also approved the increase in the authorized share capital of the company from Rs.110cr to Rs.130cr. This was done in order to give effect to the merger of MJ Pharma with Sun Pharma. In October last year, the board had recommended this merger at a ratio of 1 share of Sun Pharma for 210 shares of M J Pharma , and this was cleared by the AGM in November 2001. This merger, effective January 1,2002, received BIFR clearance in May 2002.. This increase in Sun Pharma's share capital was formally cleared at the AGM in order to add MJ Pharma's authorized share capital to that of Sun Pharma post merger.
